Measurements:

- Whisper White Card Stock - Thick: 8 1/2" x 5 1/2"
- Whisper White Card Stock: 5 1/4" x 4" 3 1/2" x 4" 3 1/4" x 2 1/4"
- Tranquil Tide Card Stock: 3" x 2"

Instructions:

1. Score 8 ½" x 5 ½" Thick Whisper White Card Stock at midpoint; fold for standard card base.
2. Using Tranquil Tide ink, stamp sentiment (from Snow is Glistening stamp set) onto smallest piece of Whisper White Card Stock; die cut with corresponding oval die.
3. Die cut Tranquil Tide Card Stock with the correspondingly larger sized Stitched Oval die. (One size larger than the oval used in Step 2). Adhere the stamped white oval onto the Tranquil Tide oval.
4. From the 3 ½" x 4" Whisper White Card Stock, cut a snowflake using the largest die in the Snowfall Thinlits Dies set. Apply Frost White Shimmer Paint to the outer parts of the snowflake with a sponge dauber. (No need to apply paint to the center area as it will be hidden.) Set snowflake aside to dry.
5. Ink up the large Buffalo Check stamp with Soft Sea Foam ink and place rubber-side-up on your work surface. Carefully position the 5 ¼" x 4" piece of Whisper White Card Stock face-down onto the inked stamp, being careful to center and align it with the image pattern as much as possible. Cover with scrap paper and rub the upper surface firmly. Remove scrap paper and stamped layer, too.
6. Using Blushing Bride ink and the tiniest snowflake stamp from the "Snow is Glistening" stamp set, stamp the snowflake image into each white square of the Buffalo Check stamped background piece. (Re-ink the stamp each time if you want the ink intensity to be the same for each image.)
7. Center and adhere this Buffalo Checked (Soft Sea Foam + Blushing Bride) background piece onto the card front.
8. Once the Shimmer Paint has dried on the large snowflake, arrange and adhere all remaining elements as shown in picture.
