Measurements:

- Night of Navy card stock: 3 ½ x 3 1/2"
- Silver Glimmer Paper: 3 ½ x 3 1/2"

Instructions:

1. Die cut the largest snowflake in the Snowfall Thinlet dies using the silver glimmer piece.
2. Die cut the largest stitched circle die in the Night of Navy cardstock (or the color of your choice)
3. Lay the snowflake over the circle and clip up to the center using your paper snips.
4. Punch out the center of both pieces using the 3/4" circle punch (or you can use a similar die). If your stem is larger, you can use a larger punch.
5. Adhere the snowflake to the circle using the fine-tip glue pen just around the punched out circle.
6. Die cut the oval out of Whisper White. You can add a name using the matching marker to your cardstock. If you make all the circles different colors, names might not be necessary.

These are a quick and easy way to dress up your holiday party and make it easy for your guests to keep track of their drink glasses.
