## Supplies:

- **Stamp Pads** – Balmy Blue (147105);

## Measurements:

- Card Stock 1: 2 1/2 by 4 1/2 , scraps for snowflakes

## Instructions:

1. Use the three small snowflake stamps to randomly stamp in the lower left hand corner of your white gift bag using Balmy Blue ink.
2. Take the 2 1/2 X 4 1/2 piece of Balmy Blue cardstock and punch the top with the Scalloped Tag Topper punch. Be careful to center the paper in your punch and cut off the small pieces on either side.
3. Use your framelits to cut one small and one medium snowflake from your Silver Glitter paper. Cut one solid snowflake outline out of your scrape piece of Balmy Blue paper. It does not matter which snowflakes you use as long as they layer together well.
4. Glue the large silver snowflake to the bottom of the tag, add the solid Balmy Blue snowflake outline next and then use a dimensional to add the small silver snowflake on the top.
5. Add ribbon to the top of your tag and attach to the handle of your gift bag.
