Measurements:

- **Cinnamon Cider:** 5-1/2" x 4-1/4" card base – portrait (scored on side); 2-1/2" x 3"
- **Mossy Meadow:** 4-1/2" x 3-1/4" layer (cut 2); 2" x 2"; 3-1/4" x 1"
- **Whisper White:** 4-1/4" x 3" layer (cut 2); 3" x 1"
- **Crumb Cake:** 2" x 2"

Instructions:

1. Cut and score card base and layers as indicated above.
2. Use the Textured Textile 3d Embossing folder (and the Cut & Emboss Machine with the Specialty Plate) to add texture to one of the Whisper White layers. Use Seal or Tombow to attach the embossed layer to one of the Mossy Meadow Layers. Use the same adhesive to attach this layer to the card front.
3. Use the circle die to cut the base of the globe from the 2" Mossy Meadow square. Use one of the globe dies to cut a globe from the 2" Crumb Cake square. Use the pedestal die to cut the pedestal for the globe from the remaining Cinnamon Cider piece.
4. Use a thin amount of Tombow on the back of the Crumb Cake Globe to attach the globe to the Mossy Meadow globe base.
 - Tip: If you have trouble controlling Tombow (or even if you don't), you may want to use a wedge of a Stampin' Sponge and the silicon craft sheet to apply the Tombow to the back of the globe. Simply squeeze a small glob of glue onto the craft sheet. Dab the sponge wedge into the glue and gently apply it to the globe.
5. Use Dimensionals to attach the globe to the textured layer on the card front – centered near the top. Use a bit of Tombow on the stem of the pedestal and adhere it to the card front so the rails of the pedestal are on globe (see photo).
6. Use Memento ink to stamp the sentiment on the 1" strip of Whisper White. Punch both ends of the strip using the Pick a Punch punch. Use the same punch setting to punch the ends of the 1" Mossy Meadow strip. Use Tombow or Seal to attach the strips together with the white centered on top of the Mossy Meadow. Use Dimensionals to attach the sentiment to the front of the card.
7. Use Memento to Stamp the globe image and sentiment on the remaining Whisper White layer. Use Seal or Tombow to adhere the white layer to the remaining Mossy Meadow layer. Use the same adhesive to attach the layer to the inside of the card.
