## Instructions:

1. Cut and score all pieces as outline above.
2. Use the Spider die from the Little Treat Box Dies to cut out three spiders from the Basic Black 1-1/4" squares. Place a Mini Stampin' Dimensional on the back of each.
3. Use Versamark ink to stamp the sentiment multiple times across the Basic Black sentiment strip. Sprinkle liberally with White Embossing Powder. Use Heat Tool to set the powder. Place multiple Dimensionals along the back of the strip.
4. Use the Cut & Emboss Machine to emboss one of the Whisper White layers using the Cobwebs 3D Embossing Folder. Use Stampin' Seal to attach this layer to the card front.
5. Punch the banners for the front of the card using the strips of Pumpkin Pie, Gorgeous Grape, and Granny Apple Green cardstock.
  - a. Place a cardstock strip into the notched side of the punch. Punch the notch. Remove strip from the punch and use the Paper Trimmer to trim the banner to 2" long.
  - b. Repeat until you have two 1" wide banners in Pumpkin Pie and Gorgeous Grape and one 1" wide banner in Granny Apple Green AND two 3/4" wide banners in Pumpkin Pie, Gorgeous Grape, and Granny Apple Green.
6. Use small dots of Tombow Multipurpose Liquid Glue to adhere the banners to each other. A template is included to help with placement.
7. After glue has dried for a minute or so, use the paper trimmer to trim the tops of the banners even.
8. Use Stampin' Seal to attach the banners centers along the bottom half of the card front as shown in the photo. Attach the sentiment strip across the top of the banners. Attach the spiders on the card front.
9. Use Memento ink to stamp a couple cobweb images in the corners of the remaining Whisper White layer. Use Gorgeous Grape ink to stamp the sentiment in the middle of this layer. Use Stampin' Seal to adhere this layer to the inside of the card base.
