Instructions:

1. Cut and score all pieces as outline above.
2. Use Cherry Cobbler ink to stamp the sentiment on the 3" x 2-1/4" piece of Whisper White. Use Crumb Cake ink to stamp the pinecone fill image. Stamp the pinecone detail image over the fill image using Early Espresso ink.
3. Use Early Espresso Ink to stamp the acorn, maple leaf, and oak leaf images on the scrap of Early Espresso cardstock. Use the punches to punch out the images.
4. Use the Cut & Emboss machine to cut the sentiment oval using Stitched Shapes oval die, the Early Espresso scalloped oval using the Layering Oval dies, and the three small white squares using the small square from the Stitched Shapes dies.
5. Use Stampin' Seal to adhere the DSP layer centered at the bottom of one of the Pumpkin Pie layers leaving a 1/8" border around the edges. Use Stampin' Seal to attach the three white squares evenly spaced on the DSP layer. Attach the layer to the front of the card using Stampin' Seal.
6. Use Dimensionals to adhere the sentiment oval to the scalloped oval. Use Dimensionals to attach to the front of the card centered above the DSP layer. Use Mini Dimensionals to attach the acorn and leaves – each centered in a white square.
7. Using the Copper Grosgrain ribbon from the Combo Pack, tie a length of ribbon around the card front ending with a centered bow.
8. Use Early Espresso ink to stamp the acorn image in the bottom left corner of the remained Whisper White layer. Use Pumpkin Pie to stamp the oak leaf image in the bottom right corner. Stamp the maple leaf image just to the left of the oak leaf using Cherry Cobbler ink.
9. Use Stampin' Seal to attach this white layer to the remaining Pumpkin Pie layer. Then, use Seal to adhere layer to the inside of the card base.
