1. Cut and score all pieces as outline above.

Use Tombow to attach the wing detail over one of the solid wings. Use Tombow to attach the solid tail feather piece to the back of the dove body. Use Tombow to attach the detail wing to the front of the dove body and the solid wing to the back of body behind the other wing. Use a teeny tiny drop of Tombow on the back of the dove's beak to attach the Old Olive sprig to the dove.
3. Use Gorgeous Grape ink to stamp the sentiment for the card front on the 3/4" piece of Whisper White. Use the same ink to stamp the inside sentiment centered at the top of the large Whisper White layer.
4. Use Highland Heather Ink to stamp the snowflake image on either side of the outside sentiment. Use the same ink and stamp to randomly stamp multiple snowflakes on one of the large Purple Posy layers. Use the Highland Heather ink to stamp the dove image at the bottom left of the inside sentiment layer.
5. Use Stampin' Seal to adhere the inside sentiment layer to the unstamped large Purple Posy layer. Use Seal to adhere this layer to the inside of the card base.
6. Use Stampin' Seal to adhere the stamped large Purple Posy layer to the front of the card base.
7. Use Seal to attach the smaller Purple Posy layer to the Highland Heather layer. Use Dimensionals to attach the sentiment layer to the Posy/Heather layer. Use Dimensionals to attach this layer to the front of the card base about 1/2" from the bottom of the card.
8. Use Dimensionals to attach the dove the front of the card centered above the sentiment layer.
